- Biotechnology
- API manufacturer

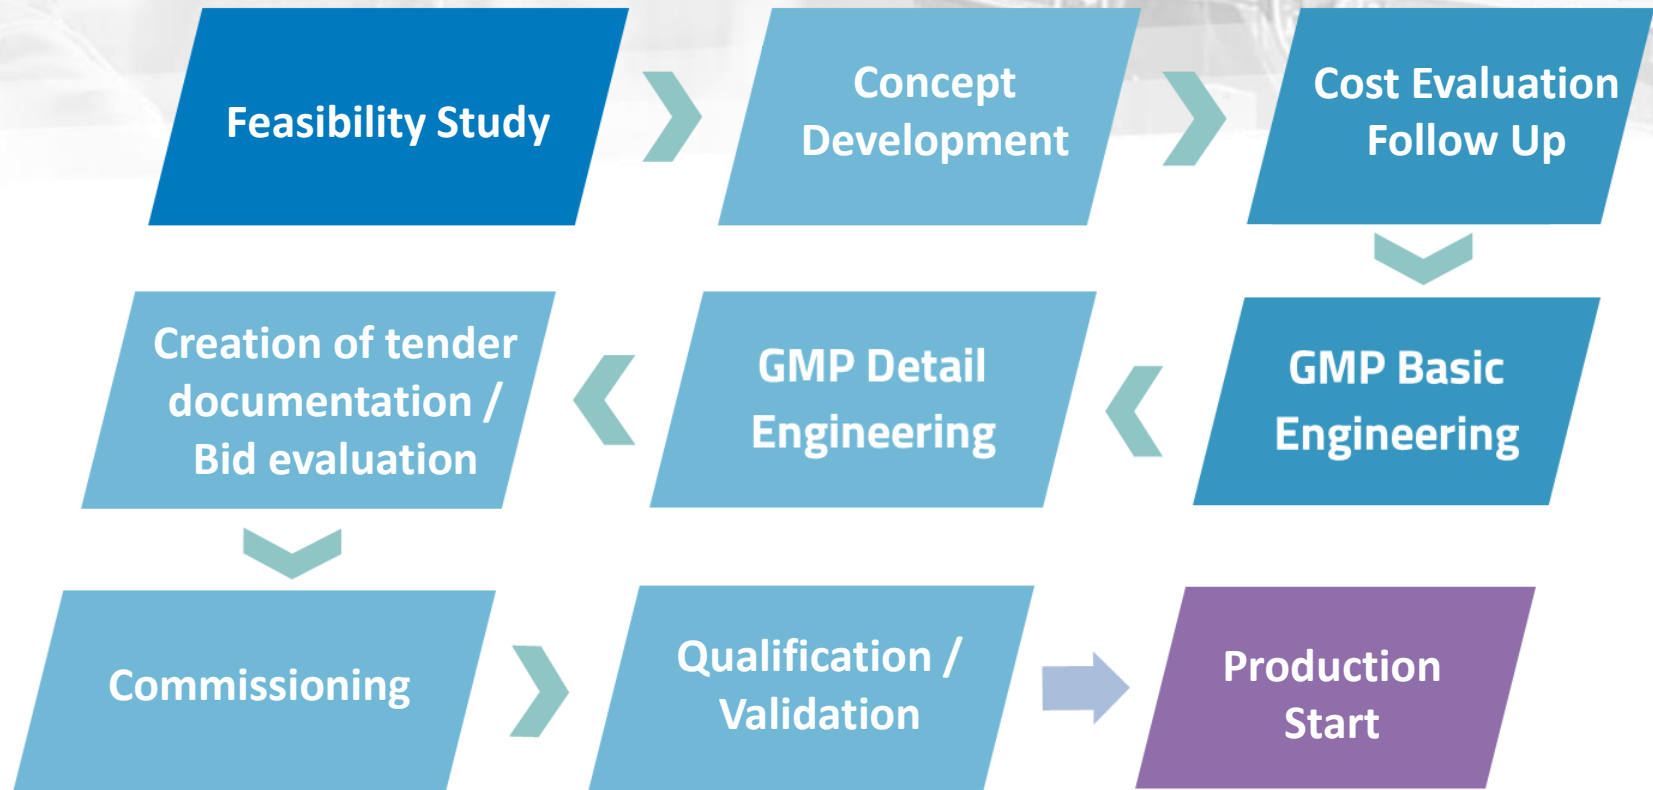

# Portfolio

- GMP Qualification / Validation
- GMP Engineering
- GMP Consulting / QMS
- CSV / Automation
- Projectmanagement/Planning

# Our Engineering Solutions

From feasibility to the start of production – we offer solutions in all phases of a project

A woman in a white lab coat is shown in profile, looking towards the right. She is holding a small object in her hand. In the background, there is a piece of pharmaceutical machinery, possibly a cleanroom or isolator, with various components and a large circular opening. The scene is brightly lit, suggesting a cleanroom environment.

# Competences

- **Isolator Technology/Containment**
- **Cleanroom**
- **Clean Media**
- **Solids/Liquids**
- **Fill & Finish**
- **Material and process logistics**
- **Technology transfer**

# We are what we live

## Customer Orientation

### The customer in eye level

We create a positive **open culture** geared to **customer wishes**. There is only one measure of our success: **the satisfaction of our customers** !

## Teamwork

### We enjoy working in teams

**Appreciative interaction** and **open communication** - a high priority in our company. Mutual **support**, constructive **solution finding** and **equality** – we want strong teams that increase the **performance** of the company.

## Quality

### We have always and everywhere focus on quality

Through **professionalism** and **result-oriented working methods**, we fulfill the wishes and requirements of our customers.

We are continuously increasing **efficiency** and **satisfaction**, **reducing costs**, **avoiding errors** and **conserving our customers' resources**.

## Know-how

### We are always up-to-date

We attach great importance to the **continuous development**, new and **efficient solutions** for our customers. By **demanding and promoting** our employees, we create the right conditions for our employees – through active communication, we use the **know-how** of each individual

## Reliability

### Customers and partners can rely on us

We keep our promises. Decisions taken are binding. **Clear exchange of information** is the basis for **reliability** and **respectful interaction** across all levels. In doing so, we rely on **transparency** in all decisions we make

## Ownership

### Our employees take quickly on responsibility

We show a high level of initiative and **bear responsibility** for our actions. In doing so, we rely on the **flexibility** and **freedom** of our employees in the organization of working hours and workplaces. **Employee motivation** and talent building are part of our responsibility.
